

Henok Belachew

Certified UI/UX Designer | Full stack Developer

EXPERIENCE

UI/UX DESIGNER

ADDISPAY FINANCIAL TECHNOLOGY S.C

 SEP 2023 - MAY 2024 - 9 MONTHS, ETHIOPIA

As a UI/UX Designer, I created user-friendly and visually appealing admin, merchant, and checkout interfaces. I ensured high fidelity between design concepts and final products through collaboration with developers and product managers. Additionally, I redesigned the M-POS mobile app, enhancing user engagement and satisfaction.

FULL STACK DEVELOPER - INTERNSHIP

ABLAZE LABS

 JUL 2023 - SEP 2023 - 3 MONTHS, ETHIOPIA

At Ablaze Labs, I developed a hospital chatbot using React and Django, incorporating NLP for customer feedback and 3D data visualization. Due to the project's complexity, it remained a work in progress by the end of my internship.

GRAPHIC DESIGNER

SELF EMPLOYED - FREELANCE

 MAY 2022 - JUN 2023 - 1 YR & 3 MOS

I worked on logo design, banner creation, flyer advertisements, and T-shirt designs, blending creativity with strategic visual communication. Collaborating with clients, I honed my graphic design skills, demonstrating adaptability and delivering aesthetically pleasing, effective solutions.

FRONTEND MENTOR

AASTU GOOGLE DEVELOPERS STUDENT CLUB

 MAR 2023 - MAY 2023 - 3 MONTHS

I mentored students in React web app development, providing guidance and support to enhance their skills and understanding. I facilitated learning sessions, offered hands-on assistance, and helped students tackle complex challenges in their projects.
